Master Plan for Parks and Recreation

If you would like to learn more about our Master Plan for Allentown Parks and Recreation, please visit <http://www.gfnet.com/aprmp>. The plan is also available in Spanish.

MAYOR'S

Dear Citizens:

The Department of Parks and Recreation is gearing up for another great spring and summer season! 2012 promises to bring many exciting changes to Allentown's parks and recreation opportunities.

Thousands of Allentown youth are enjoying the city's newest play space, the Destination Playground, located in Cedar Creek Parkway. Offering an innovative design and

unique play opportunities, this playground was an instant hit and continues to be an incredibly popular haven for families – I encourage you to stop by for some play time on this fantastic playground!

The Aquatic Master Plan is nearing completion and received the input from over 800 citizens. This plan reviews Allentown's existing aquatic facilities and makes recommendations for the future of the city's aquatics. The project, named 'Swimming Towards the Future' will use public and professional input to examine and improve current facilities while developing a new vision for the future (see page 18-19 for more details).

Children are also encouraged to register for our 99th

Summer Playground Program. This year will include new music, dance competitions, prizes and outdoor adventure opportunities. The Department of Parks and Recreation also offers youth baseball, softball and basketball leagues as well as adult volleyball over the summer.

'Movies in the Park' will continue this season with six fresh, thrilling movies shown on the city's large inflatable screen accompanied by a sound system that rivals the theatre experience (see back page for more details).

This edition of Adventure Allentown is jam-packed with a broad range of leisure opportunities for all ages. Allentown boasts resources to satisfy a vast array of interests – art, sports, music, dance, animals, environmental action, and much more. I encourage you to explore the city this spring and summer, and I believe you'll discover and appreciate the wealth of adventures awaiting you!

SWIMMING TOWNA

A PLAN FOR ALLENTOWN'S

Swimming Towards the Future

is a City of Allentown comprehensive aquatics study that contains the findings and recommendations of a 9-month public planning process, including input from **800 Allentown residents**, stakeholder groups, city departments, and the Aquatics Steering Committee (ASC).

The purpose of *Swimming Towards the Future* is to review the existing aquatic facilities and seek public input on the future of aquatics in Allentown. Furthermore, the objectives of the planning process are to explore new options and future designs, provide for long term care and maintenance of existing facilities, develop and implement a cost efficient operational plan, and ultimately offer a new aquatic experience for people of all ages and abilities.

CEDAR POOL

Recommendation: Rebuild

- Build a new facility out of the flood way at Cedar Creek Parkway, with a compliment of amenities and bodies of water.
- The proposed location has great access to the new destination playground.

IRVING POOL

Recommendation: Convert to a Spray Park

- Replace the existing pool with a spray park with interactive water features and shade structures.
- Renovate the existing building to address code compliance issues.

Swimming Towards the Future Steps:

ROADS THE FUTURE

POOLS AND SPRAY PARKS

MACK POOL

Recommendation: Renovate

- Rebuild the 50-meter competition pool with an ADA accessible ramp and a deep end for a drop slide and both 1 and 3-meter diving boards.
- Repair the wading pool and add a new splash ground with interactive aquatic features.
- Add a new boardwalk to connect the existing parking lot to a new rental pavilion and splash ground.
- Add shade structures and a spectator viewing area.
- Renovate the bathhouse and concessions buildings.
- Replace the pool filtration equipment and repair the filter building.

FOUNTAIN POOL

Recommendation: Permanently Close Fountain Pool and Build a Parking Lot for the Martin Luther King, Jr. Trail Head

Due to the costly nature of the repairs required to reopen Fountain Pool and the fact that this pool was not well attended prior to being closed, the recommendation is to permanently close this pool. The site could instead be used as the Martin Luther King, Jr. Trail Head Parking Lot.

JORDAN POOL

Recommendation: Renovate

- The bodies of water include an attached but separately fenced splash ground with interactive water features and a lap pool with an ADA accessible ramp attached to a plunge pool.
- Repair the bathhouse and renovate the concessions building.
- Replace the pool equipment but reuse the pool filters.
- Provide a concessions deck and shade structures.

Allentown's Model Sailboat Race

Saturday, July 7
11:00am
Rose Garden Pavilions
Build your own model sailboat and join the race at Cedar Creek Parkway near the Malcolm Gross Rose Garden. Building materials provided.

Donate a Remembrance Tree

Honor someone you love or a special event in your life

Your donation of \$375.00 per tree includes a healthy tree and personalized bronze plaque placed in one of Allentown's beautiful parks.

Tree choices include

- Shade
- Flowering
- Evergreen

and come with a one-year replacement guarantee.

"It is not so much for its beauty that the forest makes a claim upon men's hearts, as for that subtle something, that quality of air that emanates from old trees, that so wonderfully changes and renews a weary spirit."

—Robert Louis Stevenson (1850-1894)

Donate a Memorial Bench

Looking back with gratitude and love - Looking ahead with generosity and hope

In an effort to "go green," each bench is a refurbishment of an old park bench replete with new wooden slats and personalized bronze plaque.

Your donation of \$300.00 per bench includes a bronze plaque and placement in an Allentown park. There

you will have the opportunity to rest and relax as you enjoy a leisurely stroll through the park. As in the 1950s, park benches are still handcrafted by employees of the Allentown Parks and Recreation Department.

Volunteer Activities

Help us keep Allentown's parks beautiful. Volunteers are most welcome!
